

Town Board of LaFayette

Special Meeting Minutes, January 28<sup>th</sup> 2016

Meeting was called to order at 5:30 by Supervisor Ohstrom

Roll Call

Board Members Present: Ohstrom, Daniel, Zajac, Evans. Absent: Palmer.

Guests Present: Kevin Gilligan, John Greeley, Steve Robson

Also Present: C and S Engineering Team, Jeff Palin, Mark Chambers, Matthew Walker, Mark Colmerauer.

Supervisor Ohstrom opened the meeting by introducing the C and S Team. He informed everyone that they were here to discuss preliminary environmental issues discovered during the remediation of the old highway facility.

Matt Walker handed each member a packet of information regarding; sampling sites, locations, results and topographical relevance. Matt reviewed the information and details with an emphasis on samples with high levels on the North side of the highway structure.

Mark Colmerauer added additional analysis regarding potential remediation plans and further sampling steps. Mark and Matt also discussed the process for submitting information to the DEC and estimated timeframes for future project development.

Matt Walker committed to producing the official finalized report for the board meeting February 9<sup>th</sup> 2016.

Meeting Adjourned 6:20.
